Digital skills

SELF-ASSESSMENT				
Information processing	Communication	Content creation	Safety	Problem-solving
Proficient user	Proficient user	Proficient user	Independent user	Proficient user

Digital skills - Self-assessment grid

Driving licence B

## ADDITIONAL INFORMATION

Courses abroad Cultural exchange with the aim of improving the English language. Course held at Greenwich College

and Discover English in Melbourne / Australia, residing for two and a half years (from November / 2016 to March / 2019) in the country and interacting 100% of the time with natives and students of other nationalities.

When I finished studying the language, I also participated in an IT course (Diploma in Information Technology), to improve the technical vocabulary and develop personal networking.
